HIKING AND CLIMBING

The top station of the Karwendel cable car is an ideal starting point for tours into the Northern Karwendel range. Alongside enjoyable walking paths for the whole family, there are also challenging paths via ferrata for adrenaline junkies. Directly at the top station, the Passamani path leads around the Karwendel basin. This panoramic path is ideal to get a breathtaking view of the impressive Karwendel in the shortest possible time. The path is suitable for families. A special highlight is, that you can take part in an hour long, free guided panoramic path tour every Tuesday. The meeting point is at 10.45 a.m. on the sun terrace next to the mountain restaurant. Climbing courses, botanic guided walks, hut evenings and other events can be found on our homepage. **Note: Don't forget your hiking boots!**
