MOUNTAIN PATHS: LEVELS OF DIFFICULTY

EASY

Easy mountain paths are often narrow, maybe steep and have no sections where there is danger of falling down ravines etc.

MODERATELY DIFFICULT

Moderately difficult mountain paths are predominantly narrow, often steep and have sections where there is danger of falling down ravines etc. There may be short sections with ropes or cables to hold on to.
(With via ferrata set)

DIFFICULT (with via ferrata set)

Difficult mountain paths are narrow, often steep and dangerous i.e. passages with ravines etc. There are regular secured hiking sections with ropes / cables and / or simple climbing sections, where you need to use your hands. Sure-footedness and a head for heights are an absolute must!

Family celebrations, events & meetings

At 2244m, our possibilities to implement your personal celebration according to your wishes are almost limitless. Feel free to contact us!

Nature Information Center

Germany's highest nature information center in the oversized telescope in the larch wood coat. 7,7 m above the abyss right next to the mountain station. This building bears the sustainability prize of the Alpine Convention and is a sign of sustainable commitment to sensitive nature.

Germany's highest brewery and distillery

At 2244m we brew our own beer! Our Karwendelbräu! You can enjoy our beer freshly tapped in our mountain restaurant or on our sun terrace, or you tap it yourself at home with our very own kegs! Our master brewer will be happy to guide you through our brewery and distillery for a tasting! Just contact us: berggaststaette@karwendelbahn.de or +49 (0) 8823 937676-67.
